

How to sign up for Appointments or Study Group Tutoring:

URL: <https://buckeyes.campus.eab.com/> OR www.go.osu.edu/oncourse

Note for study group tutoring: If you already have a group of 4 (3+you) to work with, you all need to register. Make sure you register with the same tutor. You will let the tutor know at the study group appointment that you want to work together.

Select: Schedule appointment

Select type of appointment: Tutoring

Then select department: Math and Statistics Learning Center (MSLC)

Then select reason: either Math Tutoring (virtual/online appointment) for a one-on-one appointment or Study Group Tutoring

The screenshot shows a form titled 'What type of appointment would you like to schedule?'. The first dropdown menu is set to 'Tutoring'. Below this, there is a prompt 'Please select the department to get tutoring services from' followed by a dropdown menu set to 'Math and Statistics Learning Center (...)'. Both dropdown menus are highlighted with pink arrows.

Service

The screenshot shows a dropdown menu for 'Service'. The selected option is 'Math Tutoring (virtual/online app...)' which is highlighted in blue. Below the selected option, there is a prompt 'Please select a service' and a bolded heading 'These services require course'. Below this heading, there are two options: 'Math Tutoring (virtual/online appointment)' and 'Study Group Tutoring'.

Select Location: Math and Statistics Learning Center

Course: Enter either your lecture or recitation section for MATH

You can enter a particular tutor to work with or you can leave blank to see all tutor availability.

PLEASE SELECT THE LOCATION OF YOUR TUTORING VISIT

Math and Statistics Learning Center (...)

Pick a course

MATH-1151-16123 Calculus 1

Select your date/time

For recurring appointments: At the bottom of the scheduler, you'll see the option to request an appointment. When you submit the request, please provide a couple of times that will work for you (make sure you have that same time free through the entire semester).

For one-off appointments: Select your time from the scheduler.

For Study Group Tutoring: If you already have a group to work with, make sure there enough spaces left in the time for everyone in your group to sign up; make sure you all select the same time/tutor.
