

How to set up Ximera for a calculus class on a regional campus

1. Make sure you have been added to the [OSU Calculus Ximera](#) Carmen course. If you have not been added, please contact Elizabeth Miller (miller.4962@osu.edu)
2. Go to your Carmen course and open it.
3. Click on “Settings”.
4. Click on “Import Course Content”.
5. Under content type, select “Copy a Canvas Course”.
6. Search for “OSU Calculus Ximera” and choose “Select Specific Content”. Then click Import.

Import Content

Content Type: Copy a Canvas Course

Search for a course: Master Course - OSU Calculus Ximera or Master Course - OSU Calculus Ximera

Include completed courses

Content: All content Select specific content

Options: Adjust events and due dates

Cancel Import

7. Click “Select Content”

Current Jobs				
Course Copy	Master Course - OSU...	Aug 14 at 3:57pm	Waiting for Selection	Select Content
Canvas Common Cartridge	...template-export.imsc	Jul 19 at 5:19pm	Completed	

8. Expand the arrow next to Assignments and select the folders for the assignments for your course. Also select “LTI External Tools” and then click “Select Content”
