Tutoring

◊ Tutoring is **FREE**, no appointment is needed
◊ Each course that we serve has a specific tutor room staffed with qualified tutors and TAs
◊ Most tutor rooms have computers for your use
◊ Locations & hours are posted on our website

Workshops

◊ Come for additional help on particularly difficult math topics
◊ Receive tips for doing tough problems
◊ Benefit from the use of new learning technology
◊ Work together in groups
◊ Some are online. Check course page on MSLC

Exam Reviews

◊ Review materials are offered for most of the large enrollment math courses
◊ A review sheet with answers and narrated solutions are posted online
◊ Excellent preparation for your upcoming exams

Online Lessons

◊ Online lessons for selected courses.
